Paper Rejection & Resubmission Letter

To:

Dear **Author(s)**,

I regret to inform you that, after the peer review, your manuscript no: (.....) entitled,
“.....”
has been **REJECTED** for publication with “ **The Lebanese Journal for Sciences**”, ISSN
.....-.....

This action has been taken on the advice of referees, who have recommended that substantial revisions are necessary. With this in mind, we would like to invite a resubmission, provided the comments of the reviewers are taken into account. This is not a provisional acceptance.

The resubmission will be treated as a new manuscript, but will be reviewed by the same referees (if they are available at that time). Please note that resubmissions must be submitted within six months of the date of this email. In exceptional circumstances, extensions may be possible if agreed with the Editorial Office. Manuscripts submitted after this date will be automatically rejected.

Please find attached the comments made by the reviewers which I hope you will find useful. If you do choose to resubmit your manuscript, please include details of how you have responded to the comments, and the adjustments you have made.

Sincerely,

Prof.,

Journal Editor in Chief
The Lebanese Journal for Sciences
